OCNI FEATURED OPPORTUNITIES

ACHIEVEMENTS | LEADERSHIP | ANNOUNCEMENTS

OCNI offers its members opportunities to feature company accomplishments, highlight leadership performance, and showcase industry developments and announcements.

These opportunities are presented to the member company on an invitation basis. Featured webinars are one hour with a fireside/casual interview structure.

Featured webinars are hosted on OCNI's virtual platform on an agreed date and time with the member company. Event promotion includes social media posts and email marketing to all OCNI networks. These webinars are free to attend.

OCNI has developed two virtual series where member company industry leaders are invited to participate:

OCNI PRESENTS

THE LEADERS SERIES

The Leaders Series are monthly chats with nuclear leaders for a rare opportunity to get to know the individuals who make the key strategic and operational decisions in the Canadian nuclear industry. These chats will focus on leadership style, mentorship, the future of the industry and look at the current projects and programs of their organizations.

BALANCE
MEANS
BUSINESS**

Balance Means Business is a bi-monthly feature series focused on conversations around leadership and growth with diverse voices, especially those of women, in the nuclear industry. These conversations in the nuclear industry are geared to celebrating accomplishments, discussing unique journeys and challenges, and also encouraging youth into the many roles available in the industry. This series is not limited to the Canadian nuclear industry.
