

With over 30 years of experience in CANDU nuclear industry and actively involved in Markham District Energy Board, Louie brings strong leadership qualities to the OCNJ board.

Louie knows, and in many cases, has relationships with most of the OCNJ members. Louie brings to the OCNJ board a wealth of knowledge related to the operation of corporate boards, corporate governance, corporate legal and fiduciary responsibilities, administration of resources and finances, as well as, an in-depth understanding of Canadian nuclear supply chain and utility owners perspective.

Louie is confident that he can contribute his extensive knowledge, experience and dedicated drive to the OCNJ board to:

- grow OCNJ's member base and its impact on the nuclear industry by being a mentor.
- increase collaboration between utilities and supplier partners.
- Strengthen OCNJ's position to influence and lobby government at all levels.

Louie's experience and enthusiasm will be a valuable addition to the OCNJ Board of Directors.
