Dear Exhibitor,

OCNI welcomes you to the **2022 OPG Darlington Suppliers Day in Bowmanville, Ontario**. This event is organized by OCNI and is open for participation from all current OCNI members. This Exhibitor Manual provides details on the terms and conditions of the 2022 OPG Suppliers Day exhibition.

The event will be held on **Wednesday, May 11, 2022**, at the Darlington Energy Complex Parking Lot. This event brings together manufacturers, engineers, procurement, and other OPG staff to network and interact with OCNI member companies. This year's event will feature over 60+ suppliers showcasing their products and services.

Please note that the trade show Exhibitor List will only include those who are paid in full by April 27, 2022. If you have not already paid, please remit payment to the address below:

Due to overwhelming success, OCNI is continuing with the Booth Passport System for this event, in order to ensure foot traffic to all areas of the exhibition. This fun and interactive system provides OPG staff with a passport that will be initialed as they travel to different locations through the tent (booths will be selected randomly throughout different areas of the venue). Completed passports are then handed in at the registration desk for a prize draw. Only completed forms are eligible for winning.

OCNI will arrange for the prizes, and the draw will occur at the close of the event on May 11th. In addition to the passport program draw, exhibitors may arrange and manage their own draws at their booth.

All exhibitors must read the Terms & Conditions, sign the Exhibitor Contract (Appendix A), and return the completed form to OCNI to confirm their participation.

We look forward to seeing you in Bowmanville. Should you require any additional information or clarification, please contact Ruth Puckrin or myself at (905) 839-0073.

Yours truly,

Sarina Harrison

Booth Number Assignments

Exhibitors can request two or three preferred booth locations by completing the Exhibitor Contract (Appendix A) and emailing it to communications@ocni.ca. A Floor Plan has been provided on page 10 for your convenience. We will accommodate all booth selection requests on a first come, first served basis. (Certain booths are pre-reserved for event sponsors, for more information regarding Event Sponsorships see page 6). However, OCNI reserves the right to change a confirmed booth location due to necessary or unforeseen changes in the floor plan.

Booth Space Limitations

In order to accommodate as many members as possible, OCNI must limit booth space to one booth per exhibitor due to limited spacing in the exhibit area. If your display requires a double booth, OCNI will consider your request that should be made to the OCNI office no later than one (1) month prior to the Suppliers Day.

Booth Passport Program

In order to ensure foot traffic to all areas of the exhibition, we will be using the booth passport system again this year. This fun and interactive system provides OPG staff with a passport that will be stamped as they travel to different locations through the tent (booths will be selected randomly throughout different areas of the venue). Completed passports are then handed in at the registration desk for a prize draw. Only completed forms are eligible for winning.

OCNI will arrange for prizes and the draw will occur at the close of the event on May 11th, 2022. In addition to the passport program draw, exhibitors may arrange and manage draws at their booth.

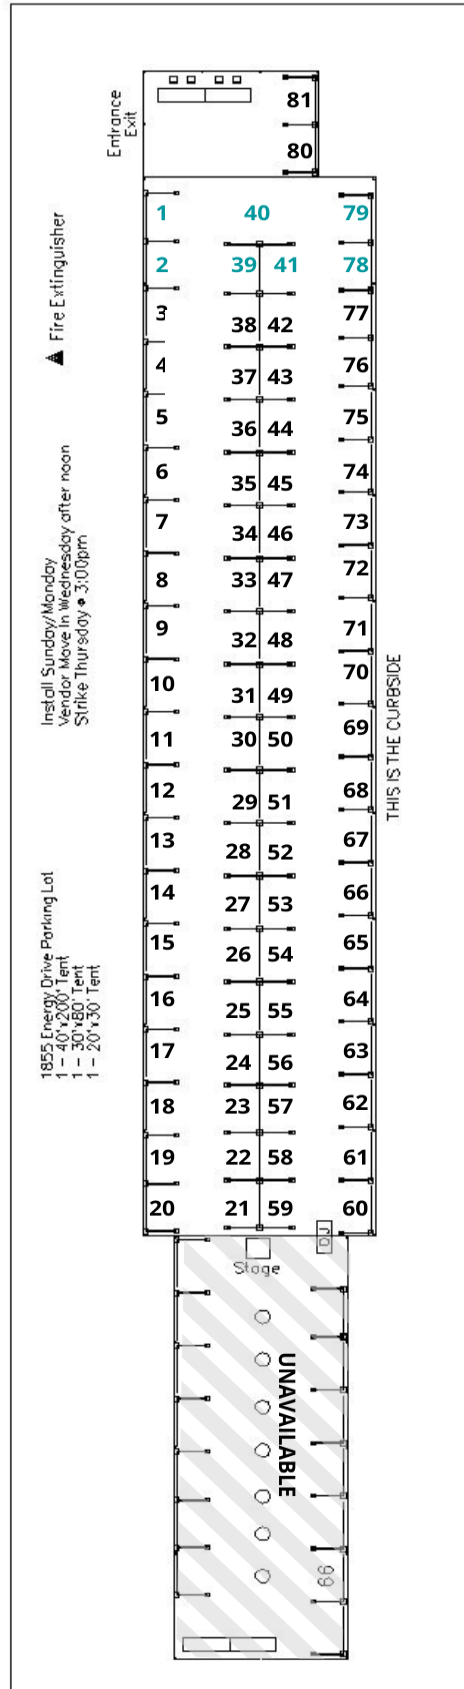

Insurance

Individual exhibitor insurance is not required.
