

**Tanya Bodioga**

Tanya brings a proven record of leadership, collaboration, and results to OCNi. With 25+ years in Human Resources, Operations, Marketing, Business Development, Finance, and Governance, she understands the nuclear industry from every angle—people, process, and growth. Since joining the OCNi Board in 2019, she has turned vision into action, shaping programs that strengthen supply chain opportunities and connecting members to utilities worldwide. In the last six years she has served as Secretary, Vice Chair, and now Treasurer, trusted to provide governance, financial oversight, and consensus-building across the board. Active on multiple committees, Tanya is known for rolling up her sleeves to move initiatives forward. Her extensive network, passion for advancing women in nuclear, and commitment to member success have consistently delivered tangible value. Tanya's ability to bridge relationships, champion innovation, and deliver results makes her an invaluable voice to help drive OCNi and Canada's nuclear supply chain forward.
